

Game Title: Find the counter!

How to play: Select a range of household items, such as a book, a teddy or a cup. Lay the items onto the table in front of you and your partner. Hide the counter on, under or beside one of the objects. Can you describe where you have hidden your counter for your partner to find. "The counter is under the object that is beside the teddy, can you find it?"

Resources included: 1 instruction card, counter template.

Resources needed from home: scissors, a range of household items for hiding the counter under.

Key skills involved in this game: Describing a relative position, such as behind or next to.

Vocabulary/ key questions to ask: Under... Beside... Behind... On top... Next to... Below... Above...

Extra for experts: Play the same game, in a bigger area with larger objects, for example in your bedroom using your favourite toy.

We hope you enjoy playing the game with your child.
