

Game Title: Counter Pattern

How to play: Place all of the counters onto a flat surface. See if you can make a repeating pattern using the colours of the counters. Can you make a second different repeating pattern?

Resources included in the pack: counter template to cut out, 1 instruction card.

Resources needed from home: scissors, objects from home to complete the extension activity.

Key skills involved in this game: using familiar objects and common shapes to create and recreate patterns.

Vocabulary/key questions to ask: pattern, can you tell me what your repeating pattern is? What colour would come next?

Extra for experts: Use objects from around your house to create a repeating pattern. For example: cutlery, soft toys, pens/pencils, pegs.

We hope you enjoy playing the game with your child.
