

Game Title: Bendy Numbers

How to play: Bend string, pipe cleaners or wool to create each number 0-10. By placing two pipe cleaners/pieces of wool or string beside each other see if you can create the numbers 10-30.

Resources included: 1 instruction card.

Resources needed from home: something to create bendy numbers with (for example two pipe cleaners, two pieces of string or two pieces of wool).

Key skills involved in this game: Recognise numerals 0-30

Vocabulary/key questions to ask: what number have you made? Number names 0-30, what number comes before/after that number? Which number is the biggest/smallest?

Extra for experts: Can you create some numbers between 30-100? Can you make any shapes with the pipe cleaners?

We hope you enjoy playing the game with your child.
