# Interpreting end of year attainment descriptors and effort grades

## Explaining attainment descriptors in Year 4

- In all subject areas there are four performance tiers:
   Emerging (well below the nationally expected performance)
   Developing (slightly below the nationally expected performance)
   Secure (performing at the year group nationally expected performance)
   Mastery (performing at a high level; beyond the year group nationally expected performance).
- To refine more precisely exactly how well pupils are performing the two categories at both ends of the performance spectrum are subdivided into two.
   Emerging B indicates the lowest possible performance for that particular year group.
   Emerging A is a higher performance standard within the emerging category.
   Mastery B represents very high performance within any year group
   Mastery A is the higher of the two Mastery performance tiers.

## These are the end of year attainment performance tiers for Year 4

Year 3	Assessment level	Comment in relation to the national average
Year 4	Year 4 Emerging B (4EB)	significantly below the nationally expected performance (broadly 18 months, or more, behind)
Year 4	Year 4 Emerging A (4EA)	well below the nationally expected performance for this age (broadly 12 months, or slightly more, behind)
Year 4	Year 4 Developing (4D)	slightly below the nationally expected performance for this age (broadly 6-9 months behind)
Year 4	Year 4 Secure (4S)	<u>in line with</u> nationally expected performance for this age
Year 4	Year 4 Mastery B (4MB)	well above the nationally expected performance for this age
Year 4	Year 4 Mastery A (4MA)	an outstanding grasp of all the year group objectives, with the ability to apply them with flair and creativity in a wide range of different contexts.

#### The performance tiers

Emerging B: Less than 25% of the end of year objectives met

Emerging A: 25% of the end of year objectives met

**Developing:** Approximately 50% of the end of year objectives met **Secure:** Approximately 80% of the end of year objectives met

Mastery B: 100% of the end of year objectives met

Mastery A: An outstanding grasp of all the year group objectives, with the ability to apply

them with flair and creativity in a wide range of different contexts.

# A pupil can't be assessed 'outside their year group'.

• Our new assessment system **isn't** a continuum. It is a discrete system based upon the underpinning concept of mastery. That means that Year 3 mastery A isn't followed by Year 4 emerging B. Year 4 emerging is **not** a progression from Year 3 mastery. At the start of Year 4 the pupil's baseline performance is Year 3 mastery A. During Year 4 the teacher assesses the pupil on the Year 4 objectives. A pupil **doesn't** have to achieve Year 3 mastery before moving up to Year 4 emerging - as Year 4 emerging isn't a higher performance standard, but a discrete measurement of progress within the Year 4 curriculum.

#### Effort grades

Attainment and effort are very different measures. The description for the four effort grades at Barnes are as follows:

Outstanding	<ul> <li>The pupil displays positive learning behaviour and exceptional commitment all, or virtually all, of the time.</li> <li>The pupil is inquistive to learn more, continually uses her initiative and shows a total commitment to self-improvement.</li> <li>The pupil reads very frequently and completes all, or virtually all, home learning assignments to the best of her ability.</li> <li>The pupil constantly and consistently does her best.</li> </ul>
Good	<ul> <li>In general, the pupil is motivated to do well. She tries hard most of the time. Her learning behaviour is good, though it is not yet exceptional.</li> <li>The pupil shows an interest in learning; sometimes using her own initiative. She shows some interest in self-improvement.</li> <li>The pupil reads regularly and completes most home learning assignments reasonably well.</li> <li>The pupil usually does her best.</li> </ul>
Satisfactory	<ul> <li>The pupil's learning behaviour and commitment to school learning and home learning are perfectly adequate, but no more.</li> <li>Her effort is not inadequate, as described below, but she rarely, or only infrequently, exhibits the more mature behaviours described above.</li> <li>The pupil sometimes does her best, but rarely 'pushes herself'</li> </ul>
Requires improvement	<ul> <li>The pupil's expectations are not sufficiently high.</li> <li>Her learning behaviour inhibits her from making the progress she is capable of and she is likely to be underachieving.</li> <li>She can sometimes behave in ways that disrupt others.</li> <li>Home reading is infrequent and home learning assignments are often not completed, or completed to a low standard.</li> <li>The pupil rarely does her best.</li> </ul>
