All About Me – settling in to school life

Physical Development

Physical warm ups (responding to music, developing gross motor strength and coordination ready for writing)

Key skills:

I am exploring the environment safely- jumping off the sandpit, using hammers at the woodwork table and navigating the climbing frame. I am beginning to dress independently, wash my hands, wipe my bottom and negotiate space.

Personal Social and Emotional Development

I know and can follow the routines and expectations in Nursery so that everyone has fun. I am beginning to realise others have feelings and I take care of them. I initiate conversations with others. Helpful phrases we learn: "Please stop, I don't like it. May I have a go when you are finished? Let's get a timer."

Communication and Language

I am learning to sit and listen during short group learning sessions. I can ask for milk or water at snack time. I can say please and thank you. I can talk about things that are important to me. I am learning greetings in other languages.

Characteristics of effective learning

I can... find out and explore; play with what I know; be willing to have a go; be involved and concentrate; keep on trying; enjoy achieving what I set out to do; have my own ideas; make links; choose ways to do things
