

An afternoon in Nursery

I say goodbye to my parent and hello
to my teacher at the gate.

I hang up my bag and coat on my
peg with my name on it. Now I go to
wash my hands.

Then I find my name and put it on
the green leaf.

Then we wash our hands ready for lunch and sing a song together.

I line up and walk over to the lunch hall with my group. We have lunch on special tables.

After lunch we walk back to
Nursery and then do a fun warm
up altogether!

After that I go to my home group,
stand on a spot and find out what
we're doing today.

Sometimes we do some counting;
sometimes we listen to different
sounds we can hear.

Then it's choosing time. I can go
anywhere I want to! We say 'Choose
it, use it, put it away.'

Outside I can play in the sand pit
with the dinosaurs or trucks. So
that we all have fun, I don't throw
sand or take it out of the sand pit.

I can see what happens to the water
when I pour it.

I can climb all over our amazing
climbing frames.

I can make a chocolate pizza in the
mud kitchen.

I can dig in our garden, or make up stories in our Wendy house.

I can make a pirate ship out of blocks, or use the woodwork table to make anything I like.

I can make a feast with the play dough, or relax in the swing chair with a friend.

When the tambourine rings, we all
freeze! It's time for snack.

We all wash our hands, ask politely
for milk or water, count out the
fruit, and munch happily while we
listen to a story.

After we have tidied away our snack, it's another choosing time!

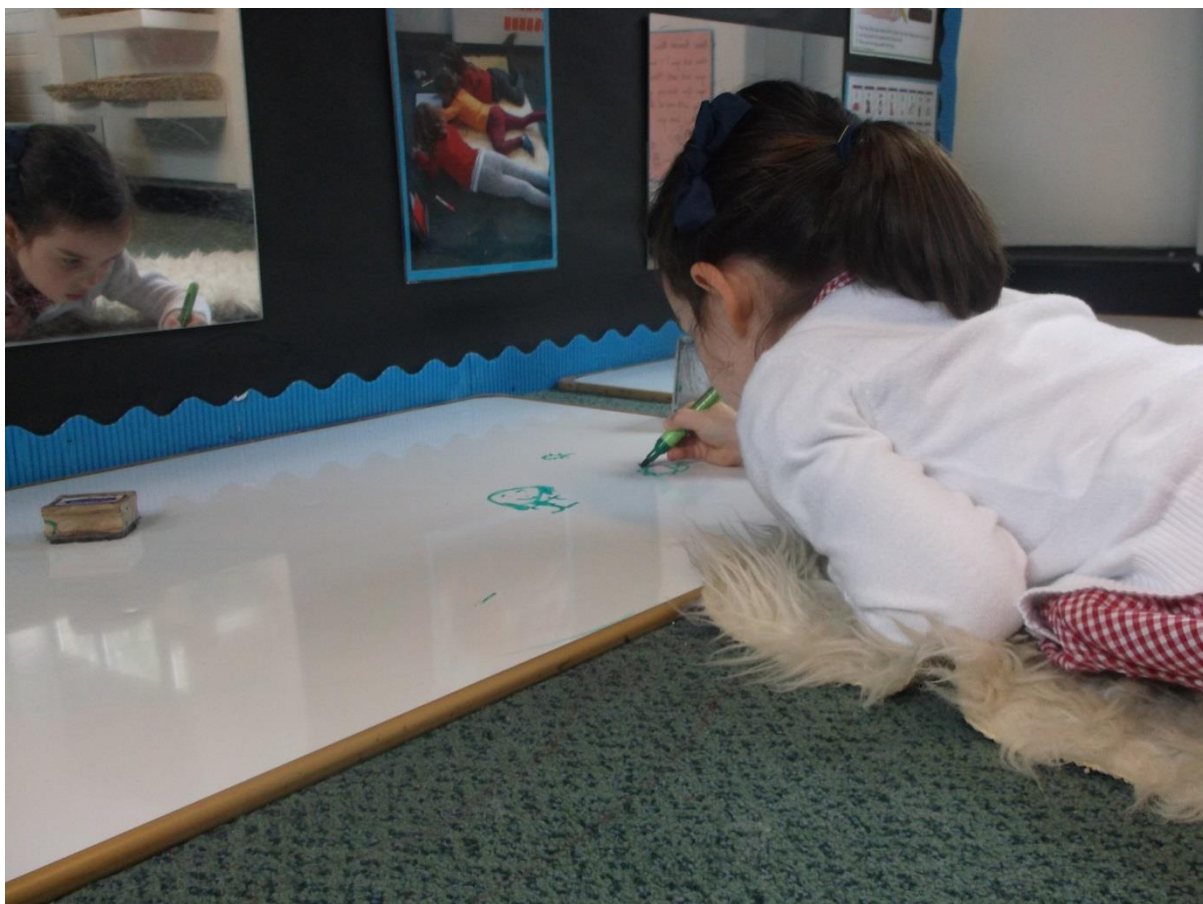

I can make up a dance on the stage.

I can create a brilliant model on the Design and Making table or paint at the easels.

I can use the natural objects or light
box to create a beautiful
arrangement.

I can write on my tummy in the writing area, or use an envelope to send a letter to my friend.

I can use the blocks to make another world for the small animals.

I can play with the maths resources
or strengthen my fingers with the
fine motor activities.

I can use the role play area with my friends to go to imaginary places.

I can play with the technology
equipment.

Once a week we go to Forest School,
and sometimes we go on trips to see
something exciting.

Then it's tidy up time. We help put things away to make the Nursery look spick and span.

After all that fun it's time for a
lie down.

I go and collect my things ready for going home.

We all sing the Goodbye Song and I
wait for my name to be called.

Goodbye Nursery! I've already
thought of what I'm going to do
tomorrow!
