

# SUMMER 2024 MENUS FOR THE BRASSERIES AT BARNES

The Caterlink team takes great care to ensure that the menus they put together represent what both parents and children want. This isn't always easy as there is often quite a gulf between those views and children are sometimes reluctant to try new things. We are therefore extremely lucky to have such an innovative team on site that can reinvent the dishes that children love into healthier versions. Their aim is always to expand children's palates and new dishes are introduced in gentle ways to achieve this.

**caterlink**  
feeding the imagination

We are delighted to share our menu for the summer term. The Caterlink team showcased dishes at two parent evenings this academic year and have used the feedback to inform this term's menu. Our wonderful Food Focus Group, comprising pupils from Years 3-6, also plays an active part in menu planning. They meet the week before menus are drafted, bringing comment and opinion from their peers. It is always a lively discussion and some wonderful ideas make it through to the final menu (and some less popular dishes from previous menus are relegated). The children also choose the four destination and theme days for the term which, where possible, they try to link to learning themes. We are delighted that Rwanda, home of our link school, was suggested for this term. We look forward to getting ideas from Headteacher Martin at Rusuzumiro.

## ALLERGY INFORMATION:

If your child has an allergy or intolerance please contact the school for information. If your child has a school lunch and has a food allergy or intolerance, you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and, due to the nature of our kitchens, it is not possible to completely remove the risk of cross-contamination.
