

# Make a

# Leaf Man

## Leaf Man Craft Instructions

### Materials and equipment:

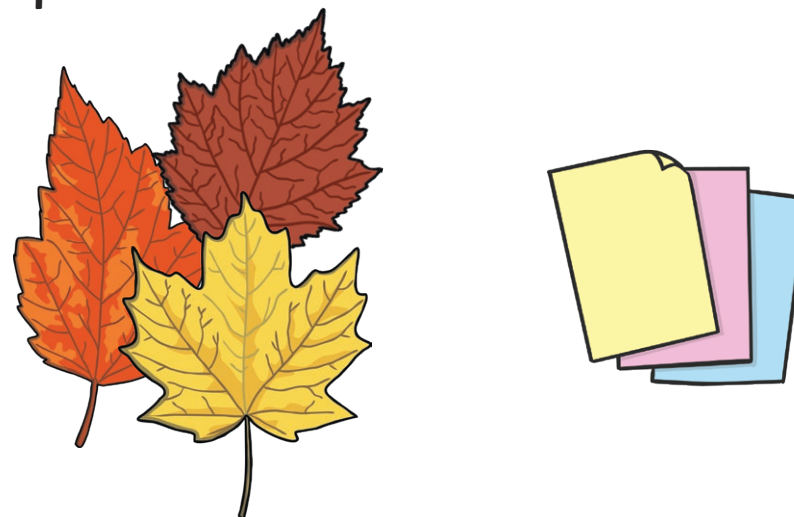

- pair of scissors
- white glue
- selection of autumn leaves
- googly eyes
- different-coloured paper or card

## Step 1

Go outside and collect some autumn leaves. Try to find lots of different colours, shapes and sizes.

## Step 2

Choose a piece of coloured paper or card. Carefully choose which leaves you are going to use.

You need:

- 1 face
- 1 body
- 2 arms
- 2 legs
- 2 feet

Arrange the leaves on the paper/card in the shape of a body.

### Step 3

Use the glue to stick on the leaves in the shape of a body.

### Step 4

Carefully stick on two googly eyes and draw a mouth, then leave to dry.

## Step 5

Finally, use your scissors to cut around the leaf man, leaving a border all the way around.
