Violin and Singing– information will be published soon, thank you for your patience.

The majority of music tuition will continue as individual lessons. Some paired lessons will be able to continue only where the room and space allows. Guitar will continue to be taught in small groups within year group bubbles.

To help with the smooth delivery of lessons and maintain social distancing and good hand hygiene instruments, music, music notebooks and pencils will not be shared between pupils and music tutors. On the day that your child has music tuition they will need to bring everything they need for the lesson to school, instrument, music, music notebook and pencil. School instruments will not be loaned out for use if an instrument is forgotten.

Some top tips for being ready for your music lesson:

Use a music bag – keep everything together in one bag and keep it in the same place, pack it the night before.

Put a reminder on the fridge, back of the front door, set a reminder on your phone or Alexa.

If your child is taking music tuition whether the music tuition is delivered on-site or remotely, please complete the following remote tuition permission form:
