

# Barnes Reception Curriculum

“Play is the highest form of research.” –Albert Einstein

Early Years teaching is different to KS1 and KS2 due to the emphasis of learning through play. We plan for progression in all areas, through gradual challenge in our learning environment and our interactions with children. For example, we may start with large cotton wheels to thread in Autumn 1 and get out successively smaller beads to thread as the term progresses. **We weave all the curriculum in and out of the day.** All areas of the curriculum can always be found in our free flow resources and open ended activities. We constantly review how we can provide ‘writing for a purpose’, ‘real life maths’ and development of the love of reading, physical strength and coordination and communication skills. It is our passion to provide a broad and inspiring curriculum, and more often than not, the children are the instigators.

Area	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Themes	All about me	Celebrations	Colours and patterns	Life cycles	Local environment	All around the world
Role play	Hospital and home	Chinese Restaurant and Festival enhancement in the home corner (deconstruction opportunities)	Laboratory and Art Gallery	Forest and Natural History Museum	Shoe shop and vet	Beach and school
Communication and Language	These core subjects are crucial for all areas of learning. They are sometimes taught explicitly* as whole class learning, but most often through play, high quality learning environment and skilful teacher interactions. Please see Development Matters 40-60 months for objectives covered. *(e.g. routines and expectations, speaking in front of the class with sentence starters, buzz partners, hygiene, healthy eating, specialist PE lessons, Write Dance, Sports Day, Bikeability, transition to year 1)
