Year 6 - 9.15 to 9.35

Year 1 - 9.40 to 10.00

Year 2 - 10.05 to 10.30

Year 3 - 10.35 to 10.55

Year 4 - 11.00 to 11.25

Year 5 - 11.30 to 11.55

Run for Rusuzumiro

Last year you raised just over...
£4000.00

The money was spent on building:

- a washroom
- 8 toilets
- a small library

The washroom

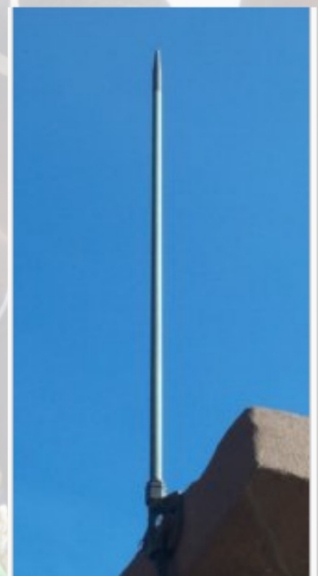

Purpose this year: To install lightning rods

We would like to focus this year's efforts on a special project to safeguard student and staff welfare.

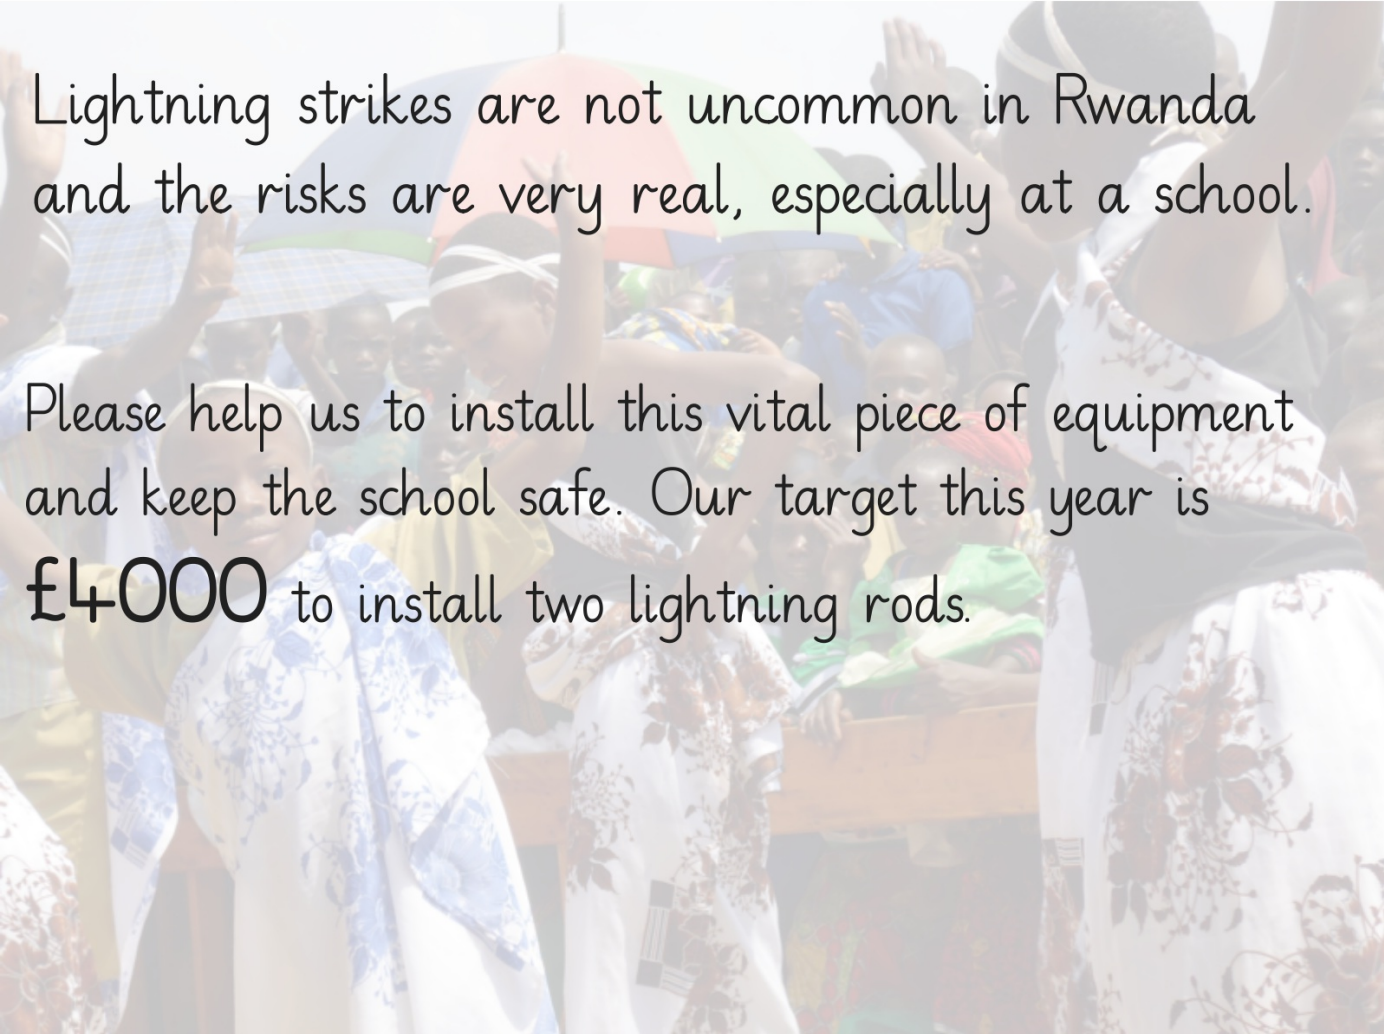

Rusuzumiro School have asked for assistance to install two lightning rods (sometimes known as lightning conductors).

What are lightning rods?

A typical lightning rod on a rooftop

A lightning rod is a device for attracting lightning strikes. It is usually made out of a rod of metal with a pointed end and is mounted at a high spot such as the roof of a building. The rod is connected to ground through a cable that is attached to a stake that is driven into the earth.

Lightning strikes are not uncommon in Rwanda and the risks are very real, especially at a school.

Please help us to install this vital piece of equipment and keep the school safe. Our target this year is **£4000** to install two lightning rods.

Sponsorship - You can either be sponsored:

- per lap (£2 per lap or £1 for half a lap)

- for a certain number of minutes running round the park

- an overall amount - eg: £5.00

Each class is allocated 20 mins.

Run for Rusuzumiro Sponsor Form 2018

This year, the money we raise will contribute towards installing two lightning rods. **Every penny** is appreciated and will make a difference.

Sponsorship - You can either be sponsored:

- per lap (£2 per lap or £1 for half a lap)
- for a certain number of minutes running round the park
- an overall amount - eg: £5.00

Each class is allocated 20 mins.
