

# Holidays and Journeys

## I love singing

I can sing lots of different songs.  
I can remember songs from earlier in the school year.

## I love exploring sound

I can explore how music can be quiet and loud and create a contrast.  
I can write down my musical ideas.

## I love performing

I can confidently move to the pulse of the music, play rhythms on percussion.  
Perform to the class.

## Physical Development

I am aware of the space around me when I move to music.  
I can listen to music and feel the pulse.

## Key skills:

I can create quiet and loud sounds and play instruments with more control.  
I can recognise and clap a steady pulse and create a rhythm pattern.

## Personal Social and Emotional Development

I can work with a partner to discuss ideas, suggest my own ideas, listen to others and feedback to the class.

## Communication and Language

I can talk about how music makes me feel.
