

## Pupil Premium 2020/21

The Government believes that the Pupil Premium, a funding stream first available in the 2012/13 financial year, is the best way to address the current underlying inequalities between children eligible for Free School Meals (FSM) and their wealthier peers. Funding is also available for Looked After Children and children Adopted from Care, together with children of families in the services. This funding, specifically targeted at tackling disadvantage, must reach the pupils who need the additional support it brings the most. Each year the Pupil Premium is allocated to schools and is clearly identifiable in the school's budgeting. It is for schools to decide how this funding is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.

Metric	Data
School name	Barnes Primary School
Pupils in school	469
Proportion of disadvantaged pupils	3.6%
Pupil premium allocation financial year 2020/21	£29,155
Academic year or years covered by statement	2020-21
Publish date	23 July 2021
Review date	December 2021
Statement authorised by	Sue Jepson
Pupil premium lead	Ted Walden
Governor lead	Antonia Lord

**It is very important that parents let the school know if their family is eligible for Pupil Premium benefit (even if they don't take up the option of their child having a free school meal). This is because the school will receive additional funding each year for every child that is eligible. This money goes towards financing additional one-to-one or small group provision and booster classes; funding free places in our after school clubs, music lessons and wraparound care; subsidising residential trips; employing a learning mentor; and ensuring that we meet the needs of all our pupils who are at a disadvantage when compared to their peers, even if they are not eligible for Pupil Premium. In this way we ensure that this additional funding has a positive impact on our learners.**

Our intention is to enable every single pupil in our school to reach, or surpass, the national performance expectation for their age. For some pupils who have very significant special educational needs that is not always possible. All children at our school have consistently performed extremely well, including those pupils who have an entitlement to Pupil Premium funding. It sometimes takes a little longer for some of our Pupil Premium pupils to reach the national standard, but by the time they leave us the majority have done so.

#### Disadvantaged pupil progress scores for 2018/19\*

Measure	Score			
	Barnes Primary School		Nationally	
	Disadvantaged pupils	Non-disadvantaged pupils	Disadvantaged pupils	Non-disadvantaged pupils
Reading	0.62	3.52	-0.62	0.32
Writing	0.19	2.15	-0.50	0.27
Maths	0.10	0.87	-0.71	0.37

#### Disadvantaged pupil performance overview for 2018/19\*

Measure	Score			
	Barnes Primary School		Nationally	
	Disadvantaged pupils	Non-disadvantaged pupils	Disadvantaged pupils	Non-disadvantaged pupils
Meeting expected standards at KS2	73%	98%	51%	71%
Achieving high standards at KS2	18%	48%	5%	13%

\* the last available published data for national tests as these were cancelled in 2019/20 and 2020/21 as a result of the pandemic.

## Expenditure
