

All About Me – settling in to school life

WOWs

Bubbles for being brave, decorating home group photos, Nursery wishes, teddy bear's picnic, show and tell family photos, Kitenge design collages

Learning, love and laughter

Physical Development

Physical warm ups (responding to music, developing gross motor strength and coordination ready for writing)

Key skills:

I am exploring the environment safely- sliding off the sandpit, using hammers at the woodwork table and navigating the clamber stack. I can carry large planks and blocks with a friend at the end. I am beginning to try new fruits and vegetables, dress independently, wash my hands, wipe my bottom and negotiate space.

Personal Social and Emotional Development

I know and can follow the routines and expectations in Nursery so that everyone has fun. I am beginning to realise others have feelings and I take care of them. I initiate conversations with others. I can say my yoga affirmations. I am starting to think about the colour monster when I am talking about my feelings. Helpful phrases we learn: "Please stop, I don't like it. May I have a go when you are finished? Let's get a timer."

Communication and Language

I am learning to sit and listen during short group learning sessions. I can ask for milk or water at snack time. I can say please and thank you. I can talk about things that are important to me.

Characteristics of effective learning.

I can...find out and explore; play with what I know; be willing to have a go; be involved and concentrate; keep on trying; enjoy achieving what I set out to do; have my own ideas; make links; choose ways to do things

Warm ups songs list (from the learning station on youtube)

- If you're happy and you know it
 - I am the music man
 - Happy dance
- Heads, shoulders, knees and toes
