

Equality objectives 2021

The below objectives were carried over from the previous year, due to the impact on a typical school year caused by the pandemic. This limited many of our cultural capital opportunities, even when the school was open based on Government guidelines. We would like to focus on these objectives for at least another year so that they are fully achieved.

Objective:	Why we have chosen this objective:	To achieve this objective we plan to:	Progress:
To raise PPG progress and attainment outcomes.	To ensure that our most disadvantaged children make maximum gains and remain high profile in all pupil progress meetings.	<ul style="list-style-type: none"> • Start of year trackers to identify PPG children for class teachers and phase leaders and their current attainment. • End of term data to generate reports that identify the progress of PPG children in comparison to non PPG children for each class and year group. These to be shared with class teachers and phase leaders prior to PPG meetings. • Pupil progress meetings to plan for any intervention necessary and to staff accordingly. • English and Maths Teams to be used for PPG children as and when necessary. • A weekly homework club for Upper Key Stage Two. 	
To increase attendance of all SEND children to 97%.	We want all children to derive the maximum benefit from the educational provision we offer. We are committed to ensuring that every child receives their entitlement to schooling 5 days a week. We know, from our analysis of pupil performance data	<ul style="list-style-type: none"> • Class teachers to discuss attendance daily with children when taking registers. • High attendance of classes to be celebrated in weekly assemblies, led by the Headteacher. • Attendance and punctuality monitored weekly by the administration teams. • The Headteacher to work closely with parents of
