 - c. General changes to the food on offer following previous meeting (for example, salad bar).
2. Feedback from children
 - a. Discussed token system with reps
 - b. Year 3 remembered using these in KSI and felt these needed to be obvious to find and easier to use
 - c. Year 4 pointed out that tokens perhaps lacked nuance – what if you like one part of your meal but not another? Could notes still be available to use and provide further detail?
 - d. Year 6 were unsure and suggested that it might need some explanation in order to ensure they were used correctly.
 - e. A vote was taken on the use of tokens. 3 children were in favour of using them. 6 were unsure. 3 were against them.

3. Questions to ask classmates

- a. Brief discussion on speaking to classmates ahead of next meeting to gauge peer feedback.
