Nursery Staff

Each home group has an adult who rotates half termly. They lead home group sessions and snack time. All adults observe and interact with all the children.

The Nursery Learning Environment

- Children have access to both the indoor and outdoor 'classrooms' throughout the day. Both areas are equally important.
- Adults are in both areas, to encourage and guide children. They also work with focus children to extend their learning and carry out observations.

Indoor Learning Environment

Our spacious, beautiful indoor learning area, is divided into different zones to support all areas of learning.

Home Visits

- Each child will receive a home visit before starting in September
- Two members of the nursery team will visit; 1 teacher and 1 leader of learning.
- It enables us to meet with you and your child in a familiar setting which helps tremendously in the settling process.
- 10 minute slots.
- It is a really lovely and memorable time.

Stay and play
(Barnes bear trial)

Monday 5th September

LM

Starting

- Steph will be in touch in July with your child's start date.
- We have a staggered process. This is important as it allows the class to build up gradually, enabling the children to settle in quickly.

SM

Supporting your child in getting ready for Nursery

- Get excited!
- Toilet training
- Independence
- Saying goodbye at the door
- Label ALL belongings - thank you!

Communicating with the Nursery Team

on the door every day for VERY quick exchange of information e.g. if someone else is picking up

email: we are not desk based

- we will not engage in lengthy email communication; we are happy to arrange face to face meetings if necessary
- may take a couple of days to respond or we may chat to you on the door
- if urgent, ring main school number and Steph will let us know

Reporting on progress: Termly parent consultations. Baseline and end of year written reports. Evidence me

SM
