Nursery and Reception - in the playground

This will be our 6th year for Run for Rusuzumiro. This year, all money raised will contribute towards the following two projects:

Buy health insurance cards for 347 children and adults

This is the 4th year we have proudly supported low income families to buy health insurance cards. The cost is approx. £3 per person and enables 347 parents and children from 68 families to access vital primary healthcare for one year from 1st July, 2021 to 30th June, 2022.

This project will cost
£1000

Retaining Wall and Fence Project

Rusuzumiro School is located on a very hilly site. The wall in the photo is causing major concern. Vincent, the head teacher, is very concerned that a child or teacher might slip down and be injured. The closest hospital is about 30km away and there's no public transport from Rusuzumiro either so it's a motorbike ride or a 9km walk to Muganza village to get the local bus - definitely not ideal with a broken ankle or similar! The priority therefore is to build a 17m long x 2.98m high stone/cement wall to safeguard children and staff from falling.

Wall and Fence Project Cost: £2,000

Sponsorship - You can either be sponsored:

- per lap (£2 per lap or £1 for half a lap)
- for a certain number of minutes running round the park
