

Behaviour Expectations at Barnes Primary School

'Treat other people the way you would like to be treated yourself'

We all have a choice about how to behave.

Our school is a family. We show **Empathy, Integrity** and **Responsibility** in our behaviour and our relationships with each other. We do not tolerate bullying or inappropriate behaviour. We know the difference between right and wrong.

Everyone at Barnes Primary School is **responsible** for:

- Treating other people the way they would like to be treated themselves - both online and face to face
- Trying hard to see the other person's view
- Asking for help if there is a big problem
- Trying to sort out small problems ourselves
- Respecting the right of others to learn.

Everyone at Barnes Primary School has a **right** to:

- Feel safe and secure at all times
- Be treated with kindness and respect
- Be listened to if a problem arises
- Be given time to explain their actions
- Be able to learn without being disturbed

We respect the importance of learning and we do not disrupt lessons.

We wear the right uniform and remember what we need for school each day.

We move calmly and quietly around the school and we do not run in the corridors.

We know the expectations for behaviour in assembly and on school trips.

We behave sensibly and kindly in the playground, thinking about others and listening to staff.

We keep ourselves safe online.

We are polite, kind and considerate to all.
