## **Cover Teacher for inclusion on our register of Casual Workers**

**£200 per day of engagement**

Please note there is no guarantee that you will receive any such engagement requests, and the frequency of any such requests and the duration of the duties available, will fluctuate according to the requirements of the school from time to time.

### **Barnes Primary is an Outstanding school**

(Ofsted report, November 2022)

- Are you a qualified teacher with experience of working across all primary year groups?
- Would you like the opportunity of being on the register of casual workers at a highly successful, restlessly ambitious organisation that continually expects more and is committed to the achievement of excellence for all?
- Do you love working with young children?
- Can you bring 'the fun' and also 'the calm'?
- Can you balance rigour with reflection?
- Are you ambitious and driven, but personable and able to listen?
- Would you like to work in an amazing and enabling learning environment?
- And can you maximise learning, love and laughter amongst our children, our parents and a highly committed, talented staff team?

The governors wish to expand the register of casual workers to include teachers with a proven record of success, to work alongside a talented staff team, covering across the school. It is unlikely that a candidate below MPS3 would have gained enough experience to be included on the register. However, we will consider all applications.

Ours is an energetic, forward thinking, progressive school that is extremely popular with parents. Barnes Primary is an outstanding, happy, stable, well run and successful primary school. There is a very strong, shared understanding and an impressive high expectations culture.

We have a beautiful environment with an exceptional area for outdoor learning - including our forest school provision - excellent resources and great children. We are situated one mile from Richmond Park in south west London. This is a successful and ambitious organisation that is committed to continual improvement. We want children to leave this school having achieved high standards in the basic skills. In addition, we wish to inspire them by offering a broad curriculum experience that includes exciting opportunities in the arts, music and sport.

Visits to the school are both welcomed and encouraged and can be made by telephoning Lucy Blair on 0208 876 7358. An application pack and further details about this position can be obtained in the same way or on our join us website page: <https://barnesprimaryschool.co.uk/contact-us/join-us/>.

The closing date for applications is: **Thursday 11<sup>th</sup> January 2024**

A selection process is scheduled for: **Monday 15<sup>th</sup> January 2024**

“Pupils are hardworking and produce work of high quality in different subjects. The broad and ambitious curriculum prepares pupils exceptionally well for the next stage of their education.” *Ofsted, November 2022*

At Barnes Primary School we take the safeguarding of children extremely seriously. All applications will be thoroughly scrutinised and we will do everything in our power to prevent unsuitable adults from working with our children. All selection processes at our school are designed to identify and reject anyone who is unsuitable for work with children. At least one member of our selection panel will have attended a safer recruitment training course and gained certification. All staff working at Barnes will be subject to an Enhanced Disclosure and Barring Service (DBS) check before taking up post. There is a culture of ongoing vigilance that ensures children are safe and secure with the adults they come into contact with at all times. References will be sought and checked and all staff are fully aware of the actions they should take if they have any concerns about the behaviour of a fellow staff member towards children.
