The governors wish to appoint somebody to supervise our lovely Key Stage 2 bistro at lunchtimes. This involves ensuring that groups of children are brought into the hall at their allotted times; promoting good hygiene, table manners and food etiquette; maintaining a safe environment and ensuring that tight timescales are met.

This position may be of interest to those who are keen to develop skills and may wish to use this as a soft entry into working with children in school. Continuing professional development is one of the strong features of our school and the successful applicant will have the opportunity to acquire and develop new skills. The lunch hall role will cultivate your management skills!

We are an exciting, forward looking community school situated one mile from Richmond Park in south west London. This is a successful and ambitious organisation that is committed to continual improvement. We want children to leave this school having achieved high standards in the basic skills. In addition, we wish to inspire them by offering a broad curriculum experience that includes exciting opportunities in the arts, music and sport.

We can offer you a beautiful environment with an exceptional area for outdoor learning - including our forest school provision - excellent resources, great children and the chance to work alongside talented, supportive colleagues.

Visits to the school are both welcomed and encouraged and can be made by telephoning Lucy Blair on 0208 876 7358. An application pack and further details about this position can be obtained in the same way or on our join us website page: <https://barnesprimaryschool.co.uk/contact-us/join-us>

At Barnes we take the safeguarding of children extremely seriously. All applications will be thoroughly scrutinised and we will do everything in our power to prevent unsuitable adults from working with our children. All selection processes at our school are designed to identify and reject anyone who is unsuitable for work with children. At least one member of our selection panel will have attended a safer recruitment training course and gained certification. All staff working at Barnes will be subject to an enhanced Disclosure and Barring Service (DBS) check before taking up post. There is a culture of ongoing vigilance that ensures children are safe and secure with the adults they come into contact with at all times. References will be sought and checked and all staff are fully aware of the actions they should take if they have any concerns about the behaviour of a fellow staff member towards children.
