

A morning in Nursery

I say goodbye to my adult and
hello to my teacher at the door.

I hang up my bag and coat on my peg with my name on it.

Then I find my name and put it in the green zone to show I'm ready to start my day.

I sit on the carpet singing our
Nursery Rhymes while I wait for
the rest of my friends to
arrive.

Then we do our physical warmup. This is where I wake up my body for the day with some dancing!

After that I go to my home group, stand on a spot and then find out what we're doing today.

Here we talk about how we feel,
learn how to share with our
friends, or talk about what to
do when there is a problem in
Nursery.

Then it's choosing time. I can go
anywhere I want! We say
'choose it, use it, put it away'.

Outside I can play in the sand pit with the dinosaurs or trucks. So that we all have fun, I don't throw sand or take it out of the sand pit.

I can see what happens to the water when I pour it.

I can climb all over our amazing Clamber Stack.

I make a chocolate pizza in the mud kitchen.

I can find new things growing
in our garden, or make up
stories in our Wendy House.

I can make a pirate ship out of blocks, or use the woodwork table to make anything I like.

I can make a feast with the playdough, or relax in the swing chair with a friend.

When the tambourine rings, we all freeze! I listen to the teacher's instruction.

Then it's time for my snack and I sit down, ready to listen to the grown up. We wash our hands, ask politely for milk or water and enjoy our piece of fruit.

After I have tidied away my snack, I go back to choosing time.

I can create a brilliant model on the making table or paint at the easel.

I can draw a wonderful picture
or write a message to a friend.

I can use the blocks to make another world for animals.

I can play with the maths resources or strengthen my fingers with the fine motor activities.

I can use the role play area with my friends to go to imaginary places.

Then it's tidy-up time. We help put things away to make the Nursery look spick and span.

After all that fun it's time to
lie down and relax.

I sit on my spot with my home group ready to learn something new!

Now it's home time! I collect my bag from my peg and wait for my name to be called to go home.

Goodbye Nursery! I've already
thought of what I'm going to do
tomorrow!
