This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

## Part A: Curriculum music

All classes in the main part of the school receive a weekly lesson with our specialist music teacher in the dedicated music room.

## Further information

Barnes Primary Ofsted Outstanding (2022) included a deep dive into music. Our excellent provision enables children to learn, explore and develop as musicians. We are very proud of our bespoke Barnes Music Provision which enables children eligible for Free School Meals to access individual instrumental/vocal tuition at a highly subsidised rate. Pupils are keen to share their musical learning with others in the classroom, assemblies, school concerts, productions and the wider community.

Partnerships, live performances and workshops aim to inspire and enhance our music curriculum. These include working with Richmond Music Trust, Barnes Music Festival, hosting rehearsals with local schools, professional musicians playing in assembly and National Youth Orchestra workshops.
