

A day in Year 1

I say goodbye to my parent or carer
and hello to my teacher at the door.

Miss Bailey Mrs McKenzie

Then I go and sit on the carpet in my classroom. We play games and practise our skills until the rest of our friends arrive.

We take the register and then do a fun warm up.

After that we have our first, short lesson of the day. It might be maths...

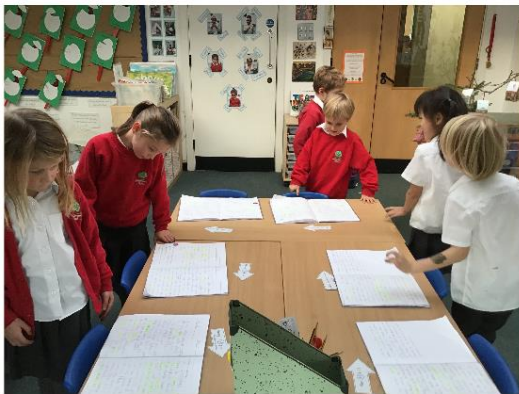

We love maths!

Or it might be English

We love writing!

Then it is 'free flow' time!

I can go anywhere I want in either
Class IM or Class IB.

Just like in Reception, we have indoor
choosing and making...

Freeflow

freeflow choices

Just like Reception, we can also play
outside.

We 'choose it, use it and then put it
away.'

We have different role-play themes during the year. We start with 'Homes'.

Then it is break and snack time. We all wash our hands, have either milk or water and a piece of fruit and go out to play.

We share the KSI playground with the other children. Some days we are on the snake, other days we are on the ropes or the mound or the sand pit.

After break time, we do more choosing time and we might do a phonics lesson.

We will be in our happy classroom with our teacher exploring lots of new learning.

After a busy morning, it is lunch time!

We wash our hands and go to lunch.
We collect our lunch from the hatch ourselves and eat in the KSI hall.

After lunch, we have another longer break in the big playground. Our friends from Reception and Year 2 play with us too!

There are lovely staff outside to keep us safe.

In the afternoon we have more learning time.

It might be....

Science investigations!

or Learning Theme.

Kings, queens and spies –
exciting moments and events

Historical enquiry

Debate

Map work

3D playgrounds

Pirates, plans and adventures

Making pirate ships

Our last lesson of the day is a short
handwriting lesson.

Just like in Reception some days, we will have a PE lessons. Miss Kwee is our PE teacher.

We will have a music lesson with Miss Warner.

and a computing lesson with Mrs McKenzie.

At home time, we collect our bags
from our trays and our coats from
our pegs and wait for our name to be
called to go home.

Goodbye Year 1!
