

## Links to prior learning:

Talking about the past and building up everyday vocabulary related to time (YR)

## Key Vocabulary

modern  
old  
past  
new  
artefact  
similar or different  
living memory  
home life

Look at the **materials** to help you decide if the item is **old** or **modern**. Plastic is a modern material. Does the item need electricity to make it work?

## Homes

## History Y1: Homes in the past

## Links to other subjects:

Science – materials

Geography – homes around the world

Art- observational drawing of Victorian cottages

Homes in the past are both **similar** and **different** to our homes today.

old houses

modern houses

Household items in the past are often different to items we use today.

kettle

washing equipment

iron
