

Behaviour Expectations at Barnes Primary School

‘Treat other people the way you would like to be treated yourself’

We all have a choice about how to behave. Our school is a family. We are kind, respectful and responsible. We show **empathy**, **integrity** and **responsibility** in our behaviour and our relationships with each other. We do not tolerate bullying or inappropriate behaviour. We know the difference between right and wrong.

Everyone at Barnes Primary School is **responsible** for:

- Being kind
- Being respectful
- Being responsible
- Treating other people the way they would like to be treated themselves - both online and face to face
- Trying hard to see the other person’s view and using empathy
- Asking for help if there is a big problem
- Trying to sort out small problems ourselves
- Respecting the right of others to learn.

Everyone at Barnes Primary School has a **right** to:

- Feel safe and secure at all times
- Be treated with kindness and respect
- Be listened to if a problem arises
- Be given time to explain their actions
- Be able to learn without being disturbed

At Barnes Primary:

- We are polite, kind and considerate to all.
- We respect the importance of learning and focus in lessons.
- We wear the right uniform and remember what we need for school each day.
- We walk calmly and quietly around school.
- We know the expectations for behaviour in assembly, on school trips and when representing the school.
- We behave sensibly and kindly in the playground, thinking about others and listening to staff.
- We keep ourselves safe online and are good digital citizens.
