# Personal Development

Personal development is both a subject and a school ethos. It is reflected in our school motto of *Learning, Love and Laughter* and in our school values.

It is the umbrella term for all the work we do to help children stay safe, healthy, happy and prepare for the next stage of their lives.

Have you ever felt  
like the odd-one out?

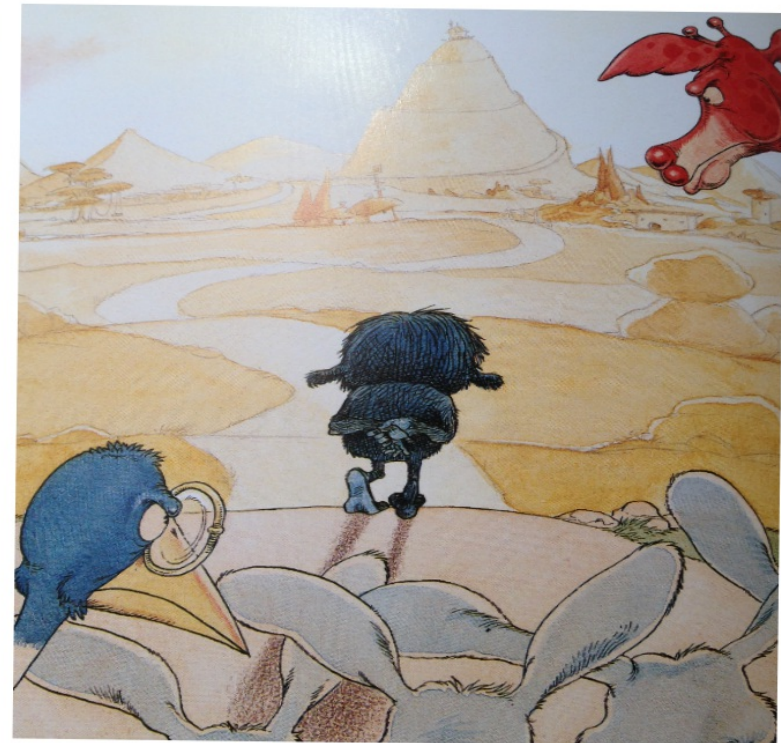

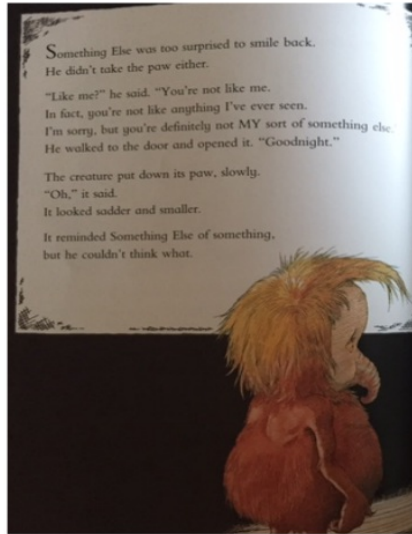

recap of English text

"You're not like us.  
You're something else.  
You don't belong."

Who is this?  
How did he feel?

Why did Something Else send the creature away?

How did the creature feel?

Is it okay to make somebody feel bad for being different?

To be successful in today's learning you need to:

- find similarities between children
- find differences between children
- know that being different makes you special and interesting

What makes you special?

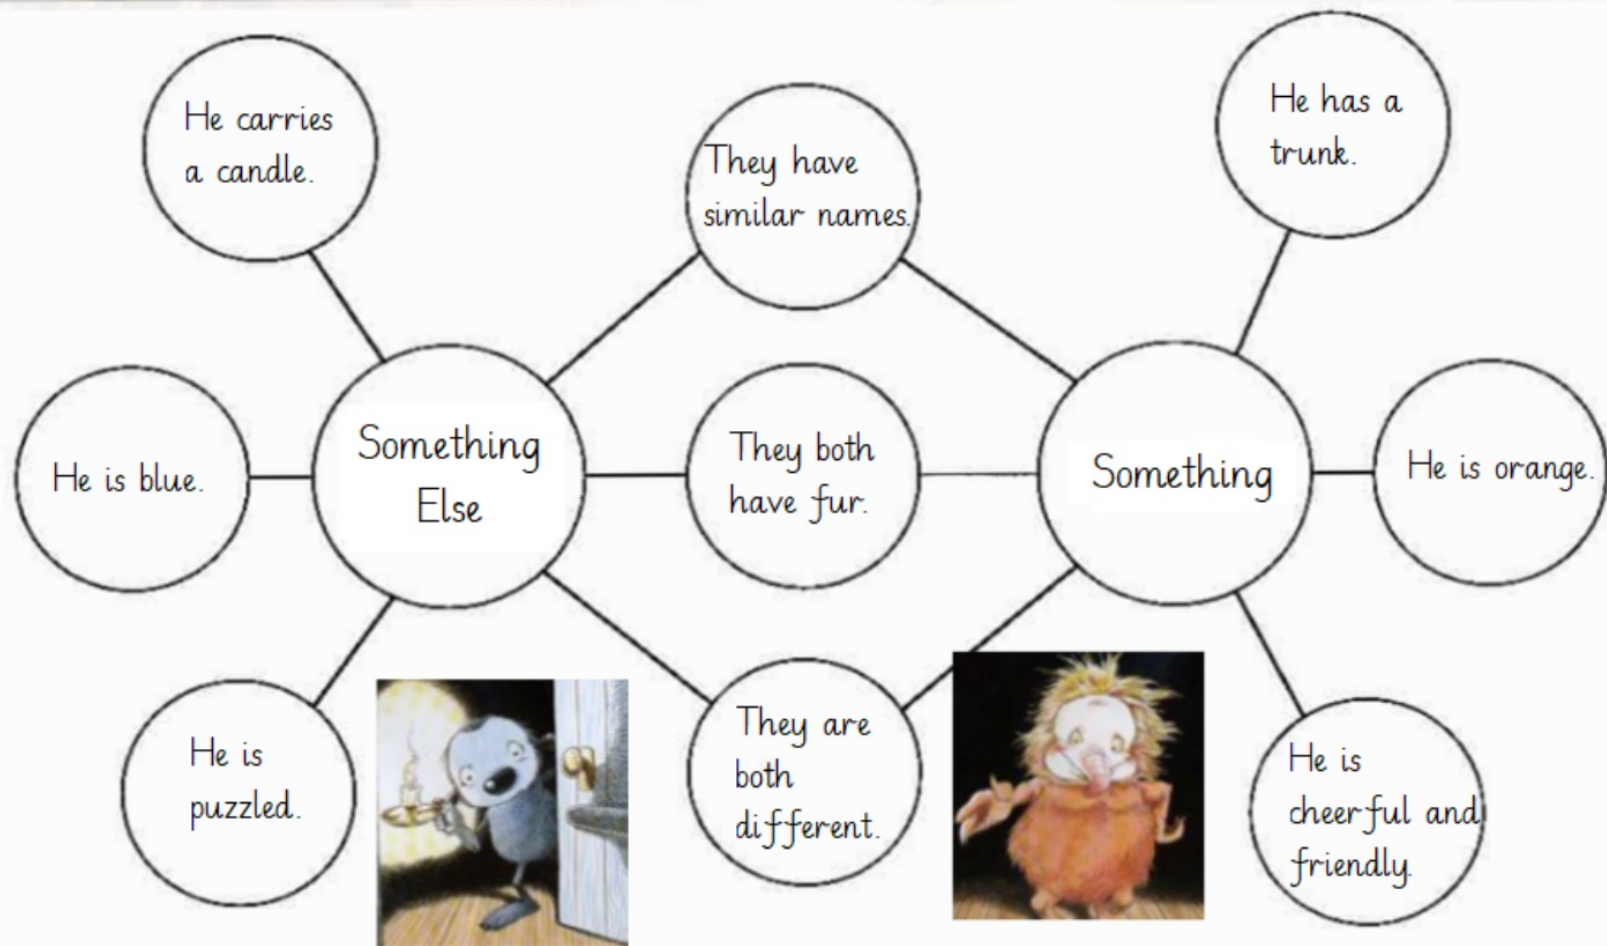

With your partner, think of  
2 similarities and 2 differences

## Challenge:

In table groups, can you find one thing that you all have in common?

Can you find one thing that makes each of you special?

# How are they similar and how are they different?
